

AMERICAN HEROES Air Show – **USA - Texas**

Event Fact Sheet

Event Summary: America's premier, admission-free all-helicopter aviation event returns to the Austin area. Developed in 1993, the American Heroes Air Show profiles helicopters' crucial role in law enforcement, public safety, communications, Search & Rescue as well as homeland security and national defense. The event highlights rotary-wing aviation capabilities with static displays, exciting demonstrations and mission briefings by crew members.

Additional event elements host recruiting teams that deliver information to the community on careers in law enforcement, public service and the military. Vendors and public agencies deliver resources, information and products / services to help families and the community prepare for, react to and recover from a variety of natural disasters and homeland emergencies.
