

American Heroes Air Showsm

I n t h e L i n e o f D u t y

Fort Myers, Florida

Scheduled for January 28th, 2012 at the Lee County Sports Complex [Hammond Stadium] in Fort Myers, Florida this unique aviation event is part of the American Heroes Aviation Network, the nation's premier admission-free aviation event exclusively featuring helicopters from local, county, state, private media and Federal / DOD agencies. Produced by local volunteers with a passion for public service and aviation, the event provides an exciting, up-close view of helicopters, their crews and their dynamic role in community safety, homeland security and national defense.

In addition to our helicopter-only air show our event includes:

- The American Veterans Traveling Tribute [AVTT.org] lands to team up with the U.S. Citizenship and Immigration service to host a very special Naturalization Ceremony for members of the U.S. military.
- *CODE3 CAREER FAIR* - recruiting teams from police, fire, military and public service are on-scene with info about their mission and career opportunities.
- *FIRST PROMISE Emergency Preparedness Fair* - public resources, information, products and services to help families and businesses plan for, react to and recover from natural disasters and emergencies.

Presentation space at the American Heroes event is free to non-profit organizations, public safety agencies and emergency responders. It's a perfect opportunity for public safety agencies and non-profits to highlight their vital mission in the media & community!
