Please consider this our invitation for your organization to participate in the American Heroes Air Show, the nation's premier admission-free, helicopter-only aviation experience. Against the backdrop of a public safety theme, our event is designed to profile for the public, media and elected officials rotary-wing aviation's critical role in law enforcement, fire safety, national defense and homeland security and emergency response with static displays and flight demonstrations by helicopters from local, state, private, and military / Federal organizations. Additionally, over the years we've had the privilege to introduce the community to many local Search and Rescue teams. So, whether your group arrives in a vehicle by Sikorsky or Ford, we look forward to receiving your reservation or responding to your questions.
