

American Heroes Air Showsm

In the Line of Duty

Los Angeles, California

This is the first announcement for the date of the American Heroes Air Show in Los Angeles California

Saturday * JUNE 30 * 2012

Scheduled again at the Hansen Dam Sports Complex in the Lake View Terrace area of the San Fernando Valley, this unique community event is part of the nation's premier admission-free, helicopter-only aviation event featuring helicopters from local, county, state, private media and Federal / DOD agencies. Produced by local volunteers with a passion for public service and aviation, the event provides an exciting, up-close view of helicopters, their crews and dynamic role in community safety, homeland security and national defense. The American Heroes event also provides extensive fundraising opportunities for many local nonprofits and Veteran's support organizations.

More than an air show, our event includes:

- *CODE3 CAREER FAIR* - recruiting teams from police, fire, military and public service are on-scene with info about their mission and career opportunities.
- The *Rollin' to the Rescue* team arrives in a CODE3 Caravan of vintage fire, police and emergency vehicles arrive and set up for display all day.
- Special opening ceremony with LA City FD Air Ops and Golden Stars parachute team.
- Plus, ... presentation space at the American Heroes event is free to non-profit organizations, public safety agencies and emergency responders. It's a perfect opportunity for public safety agencies to highlight their vital mission and role in the community!

Admission and parking are free
to the general public
