American Anthem Event Element
It is our honor to once again team up with U.S. Citizenship and Immigration Services as they host a special Naturalization Ceremony for serving military and others as they stand up to recite the Oath of Allegiance and become our newest U.S. citizens.

The Naturalization Ceremony takes place in the shadow of the imposing scale replica of the Vietnam Memorial Wall provided by our friends with the American Veterans Traveling Tribute.

The Oath of Allegiance taken by all naturalized citizens of the United States:

I hereby declare, on oath, that I absolutely and entirely renounce and abjure all allegiance and fidelity to any foreign prince, potentate, state, or sovereignty of whom or which I have heretofore been a subject or citizen; that I will support and defend the Constitution and laws of the United States of America against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I will bear arms on behalf of the United States when required by law; that I will perform noncombatant service in the armed forces of the United States when required by the law; that I will perform work of national importance under civilian direction when required by the law; and that I take this obligation freely without any mental reservation or purpose of evasion; so help me God.
