DURING THE SAME

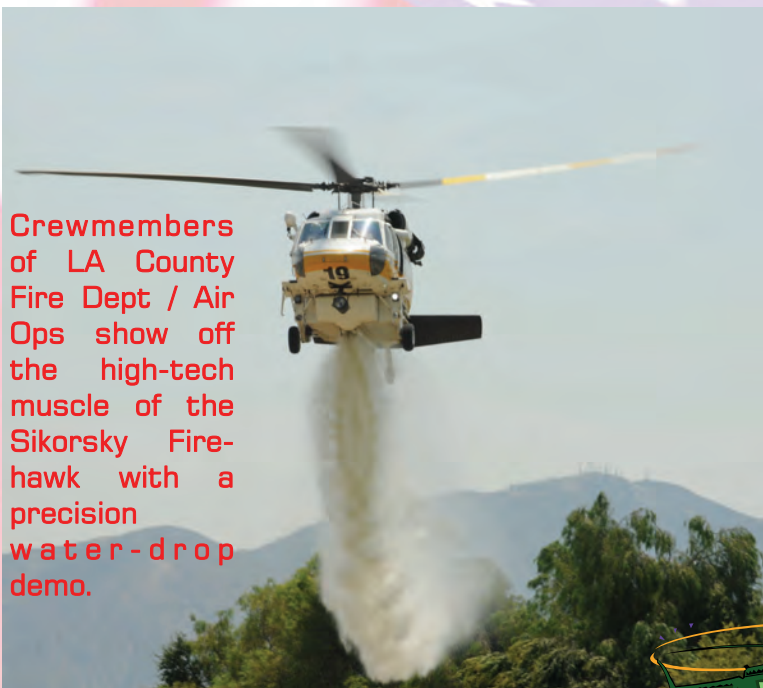

Once again the restored Huey from the Wings and Rotors Air Museum attended the American Heroes Air Show. See more pix from their attendance at their website: www.wingsandrotors.org

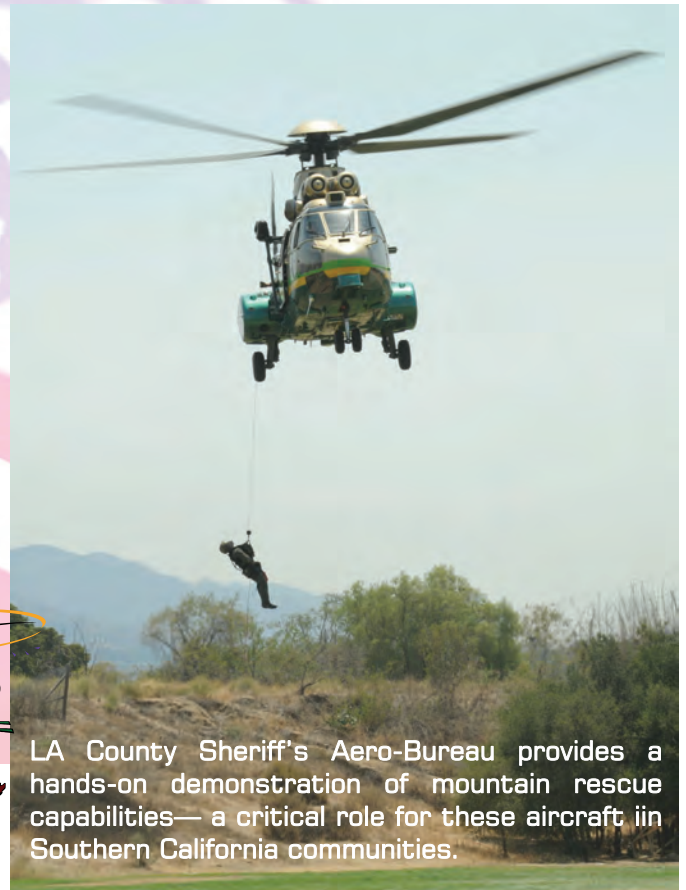

Aircraft demonstrations vividly educate the community and media as to the unique capabilities of rotary-wing aviation in combating unique challenges in law enforcement, fire-fighting and homeland security.

The most photographed event at the Heroes Air Show is the annual red, white and blue "Tribute" water drop performed by the pilots of the Los Angeles Fire Dept's Air Operations team. This precision demo has been a popular part of the event opening ceremony for many years.

Crewmembers of LA County Fire Dept / Air Ops show off the high-tech muscle of the Sikorsky Firehawk with a precision water-drop demo.

LA County Sheriff's Aero-Bureau provides a hands-on demonstration of mountain rescue capabilities—a critical role for these aircraft in Southern California communities.

Schools & Training

Since 1998 our CODE3 Career Fair has grown to become an exciting element of the American Heroes Air Show.

A host of private schools join us each year to connect with the community and profile classes that are the on-ramp to careers in Criminal Justice, Homeland Security, Emergency Preparedness and Emergency Medical skills.

STAR Helicopters joined us to provide many guests with their first Helicopter ride as well as to discuss their flight training and careers in the rotary-wing services industry.

City & Federal Partners

Los Angeles 2013

Congressman Tony Cardenas and his District 29 staff provide critical guidance, enthusiastic support and Letters of Recognition for many of our participants.

Every year our volunteer team relies heavily on a number of city, county and Federal organizations to assist with the complex permitting process, environmental impact reports, event planning and execution.

L.A. City Mayor James K. Hahn drops into the Heroes Air Show in 2004

Department of Recreation and Parks
Our thanks to Louis Loomis, Jeremy Thomas for their help and guidance for event planning and permit assistance

Our special appreciation to the LAPD Explorers team under the command of Sgt. Herrold Egger and Ofc. Dan Boon based out of the LAPD Foothill Station

Los Angeles City Councilmember Richard Alarcon &

the Los Angeles Council District 7 team from the Pacoima office has provided vital support ever since Richard suggested in 1996 that we consider Hansen Dam as the site for this event.

Our relationship with the U.S. Army Corps of Engineers is extensive as our team works with them on permitting and environmental information since Hansen Dam is one of many areas under the supervision of the U.S. ACE in Southern California.
