# AMERICAN HEROES Air Show

2015 Virginia

**Saturday & Sunday, October 3 & 4**      **9 a.m. to 4 p.m.**

## Event Mission Summary

The American Heroes Air Show is the nation's premier, helicopter-only, admission-free aviation experience designed to profile rotary-wing aviation's dynamic role in law enforcement, public safety, communications, Search & Rescue as well as homeland security and national defense. The Heroes event features helicopter capabilities with static displays and information from flight crews.

With event planning and execution handled by local volunteers with a passion for aviation and public service, the admission-free American Heroes event lands at sites from Coast to Coast. Additional event elements include the **Missing in America Project**, with a special Memorial Service on Sunday while the **CODE3 Career Expo** features recruiting teams from law enforcement, public service and the military. Private vendors, non-profit public service organizations, media and local officials team up to highlight the best public service resources of the Central Virginia community !

HAI Senior Executives welcome the helicopter community when they host the HAI Town Hall Meeting !

Dennis Pratte, HAI's Director of Safety presents an interactive flight safety briefing with his "Land & Live" presentation.

Chris Martino, HAI VP Operations & Stan Rose, Director - Safety Outreach team up to educate military pilots & flight crews with their informative " Helicopter Industry: Military to Civilian Transition Workshop "
