

MISSION GOALS:

Educate | Communicate | Demonstrate

2017 Los Angeles, CA

Scheduled to land November 4th, 2017 at the Hansen Dam Sports Complex in the heart of the San Fernando Valley, this long running community event is now in the planning stages and we hope you'll make plans to join us.

Born in Los Angeles, the American Heroes Air Show is the nation's premier admission-free, helicopter-only aviation experience designed to profile rotary-wing aviation's unique value to the public, media and public officials with static displays and exciting flight demonstrations produced at sites around the nation by volunteers with a passion for aviation and public safety.

In addition to an exciting air show, this admission-free event includes :

- **Helicopters** from law enforcement, fire, EMS/ENG, military and homeland security organizations profile the unique capabilities of rotary-wing aviation.
- **CODE3 Career & Recruiting Expo** – recruiting teams from law enforcement and schools with Criminal Justice curriculum are on-scene to profile careers in public safety, government service, homeland security and national defense.
- **SAR SITE1** - local Search & Rescue teams roll out with emergency vehicles, equipment displays, demos and family outdoor safety tactics.
- **Non-profit organizations** are on site to promote their mission of public service, community safety and emergency preparedness.
- **STAR Helicopters** provides your team with a bird's eye view of the event action when you climb on board their helicopter flight-seeing rides.
- **Concessions, entertainment and aviation related vendors ...**
