CA.17 Event Mission Profile

Summary: First presented in 1993 at the Santa Monica Airport, the AMERICAN HEROES Air Show has grown to become the nation's premier, helicopter-only, admission-free aviation experience designed to educate the public, media and community officials about rotary-wing aviation's diverse capabilities in law enforcement, public safety, Search & Rescue as well as homeland security, national defense and careers in public service.

We achieve this mission with exciting helicopter static displays and rescue / tactical demonstrations plus with a diverse group of recruiting teams from military, law enforcement and fire services along with schools offering classes in criminal justice & homeland security.

Recruiting teams from law enforcement, military, homeland security and emergency preparedness are on hand to profile their mission focus, application process and background requirements.

Additional event elements include the **Rollin' to the Rescue** Vintage Vehicle caravan arrival and presentation as well as private vendors, public service organizations, the media and local elected officials team up to highlight the finest public safety resources in the Southern California community!
