Austin Texas 2009 Event Yearbook

It was a full weekend of American Heroes and a little rain on Saturday didn't deter the enthusiastic local re-enactors who staged mock maneuvers from many well-known military campaigns. Complete with era accurate uniforms, vehicles and weapons, these folks showed the guests what American Heroes looked like 60 years ago.

AMERICAN HEROES

2009

AIR SHOW

COURAGE

AT THE SPEED OF FLIGHT

Saturday - April 18th

***Presented at the historic Camp Mabry
2200 West 35th Street Austin, TX. 78703
Free Admission & Parking***

Meet the heroes your family can really look up to.

Helicopter crews and personnel from public / private EMS, law enforcement, fire service and the military will be on-scene with static displays and exciting demonstrations!

"Code 3" delivers information on career opportunities in public service!

"SAR Site 1" provides information & tactics on homeland security and emergency preparedness! Hear stories from some of our own local Heroes!

***Discover regional teams involved in Search and Rescue (SAR) and all aspects of public safety .
This includes swift water and flood rescue, Urban SAR and all aspects of law enforcement.***

Special thanks to our sponsor!

***The* AMERICAN HEROES AIR SHOWsm**

Texas, how do you define a hero?

The American Heroes Air Show creates a special opportunity to meet the men and women that are willing to put their lives on the line for complete strangers. These are **Ordinary** people doing **Extra-ordinary** things for others. There will be helicopters and crews from all over Central Texas along with their partners on the ground; the first responders, fire services, law enforcement and the military. Our very own **STAR Flight** and APD's Air One have teamed up with the Texas Military Force's to deliver an exciting family event that we can all be very proud of. There will be cutting-edge equipment, products and educational resources that may save your life some day.

The American Heroes Air Show – Started in 1993 as a unique helicopter-only event which profiles aviation's role in all aspects of public safety. This includes aircraft and crews from law enforcement, the fire service, public and private EMS as well as homeland security and national defense. **This year's event is just part of the larger American Heroes Celebration!**

The central focus of our event here in Central Texas is to bring people face to face with the individuals that are both willing and able do whatever it takes to save lives. They are the first ones in during every major hurricane, flood, fire or military operation. They do it because it is their choice.

Come out, be inspired and simply say thank you!

***Saturday - APRIL 18th
8 a.m. to 4 p.m.***
