The USCG Air Station Astoria team [above] has participated in the American Heroes Air Show in Seattle since its debut in 2005.

The American Heroes Aviation Network is proud to be an Affiliate member of HAI and participate in a mission to educate the community as to the value of helicopters' service to public safety.

Utilizing the East parking area at the Museum of Flight in Seattle, our event site faces the main runway of Boeing Field. Our thanks to the Museum of Flight for allowing our organization to use this historic site. After guests take in the admission-free Heroes Air Show they often visit the great exhibits at the Museum of Flight.

Across the country the CODE3 Career Fair is a popular element of the Heroes Air Show which offers free presentation space to recruiting teams in order for them to educate the public about careers in law enforcement, aviation, public safety, homeland security and the military.

The Seattle Field office of the F.B.I. was on scene with tactical gear, vehicles and information on careers in the Bureau as well as how the community can go behind the scenes with the Seattle FBI Citizens' Academy.
