The American Heroes Aviation Network is proud to be an Affiliate member of HAI and participate in a mission to educate the community about the critical value of helicopters' service in law enforcement, fire service, communications, national defense and homeland security.

Whirly-Girls was formed in 1955 by Jean Ross Howard Phelan, who wanted to build a community where female helicopter pilots could share and grow. Today it has grown to include the largest source of scholarships for female helicopter pilots. Membership is open to any woman with a helicopter license.

American Anthem Event Element
It is our honor to team up with U.S. Citizenship and Immigration Services as they host a very special Naturalization Ceremony for serving U.S. military and others as they stand up to recite their Oath of Allegiance and become our newest U.S. citizens during the American Heroes Air Show.

Standing left, Linda Dougherty, USCIS Field Office Director, Seattle, Washington meets with several of the newly Naturalized U.S. citizens following the ceremony inside the Museum of Flight.

The Oath of Allegiance taken by all naturalized citizens of the United States:

I hereby declare, on oath, that I absolutely and entirely renounce and abjure all allegiance and fidelity to any foreign prince, potentate, state, or sovereignty of whom or which I have heretofore been a subject or citizen; that I will support and defend the Constitution and laws of the United States of America against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I will bear arms on behalf of the United States when required by law; that I will perform noncombatant service in the armed forces of the United States when required by the law; that I will perform work of national importance under civilian direction when required by the law; and that I take this obligation freely without any mental reservation or purpose of evasion; so help me God.
