The admission-free American Heroes Air Show teams up with the Texas Military Department for a mission designed to educate the community, the media and public officials about helicopters' dynamic capabilities and unique value for law enforcement, public service, homeland security and national defense.

Camp Mabry is a perfect venue to introduce the community to the aircraft and crews of rotary-wing aviation. #TXHEROES

Dear Mr. Paules,

I would like to extend my sincerest thanks for all you do to make our American Heroes and Texas Military Department Open House event such a success. This event is such a great opportunity for us to share in what we do with our fellow Texans, and your efforts to bring such events to communities across the country is truly admirable work.

I am grateful that you have worked with the Texas Military Department for so many years to make this event so special, and I am already looking forward to next year. The American Heroes Aviation Network brings such important visibility to the sacrifices of our active service members and veterans. Thank you for taking up such an important cause.

Thank you for your service to our service members, veterans, and military communities throughout this great Nation. Duty, Honor, Texas!

R
