Be on board for this unique opportunity to show the community why Search & Rescue organizations in Southern California are TEAM1 as the American Heroes Aviation Network presents the annual *American Heroes Air Show* where families can explore aviation's exciting role in community safety and careers in public service.

Local Search & Rescue Teams are encouraged to register for free presentation space.

We can provide tables and chairs – but bring your own canopy ! We encourage SAR teams from law enforcement, homeland security, fire service and the military / government service to participate with :

- Static displays of unique SAR vehicles and gear / equipment layouts.
- Outreach opportunities to present wilderness safety / emergency preparedness tactics to the community
- Participation goals include community education, fundraising thru sales of T-shirts and caps plus membership development and professional networking with other local SAR teams.

Single spaces are 15 x 15 - double & custom spaces are available to display your SWAT / SAR / other equipment / vehicle display.

The SAR SITE1 program is part of the admission – free AMERICAN HEROES Air Show at the Hansen Dam Sports Complex in the Lake View Terrace area of the San Fernando Valley.

11480 Foothill Blvd Lake View Terrace, CA. 91342

EVENT MISSION : EDUCATE | COMMUNICATE | DEMONSTRATE

Search and rescue teams are encouraged to bring out specialized vehicles, rescue equipment and photo presentations of missions to **EDUCATE** the community about their safety mission. There is never a charge for participating & we can accommodate just about any request for space.

2026 NOV 7

SAR teams participate to achieve several goals:

- Enhance community awareness and political support for team missions. Membership development & recruiting goals
- Achieve financial goals with fund raising efforts.
- Increase training options and response capabilities with peer team interaction.
- Interact with media and increase public awareness that many SAR resources in the area are civilian / volunteer based.
